Group-20

Group Members :
1. Patel Meet Sanjaybhai - student id 8765458
2. Mehta Parth Sanjaybhai - student id 8725788
3. Aviya Janki Ashokbhai - student id 8719638

Project Definitions :
1. GPS tracking system using raspberry pi module
2. IOT based health monitoring system
3. GSM Based vehicle accident avoiding system

- We have same interest in GPS tracking system. All have little bit knowledge of python language.
- We want to learn python language and raspberry pi in depth for knowledge.
